- Personal Back-Office for real-time transaction monitoring, reporting, reconciliation, ...
- Free customer support in different languages and 24/7 system monitoring
- Advanced solutions for integration with ERP systems, recurring payments, high-volume processing, risk scoring, ...
- Advanced Back-Office available in English, German, French, Dutch and Italian
- Integration manuals and user guides in English, German, French and Dutch

## PRICE

Set-up fee € 149

Monthly fee € 29

Transaction fee (Depending on the number of transactions processed per month)

1 - 499 trx./month	€ 0,19/trx.
500 - 999 trx./month	€ 0,14/trx.
1.000 - 2.999 trx./month	€ 0,10/trx.
3.000 - 9.999 trx./month	€ 0,07/trx.
As of 10.000 trx./month	on request

The invoiced fee per transaction is based on the number of transactions during the previous month.  
Example: if you processed 3.521 transactions in the previous month, you will be invoiced € 0,07 for all 3.521 transactions.  
These prices are only valid for merchants with a legal business entity in Germany.  
The minimum duration of a subscription is 12 months.

# Performance
